

Registration

The easiest way to register for this sport is to go online to johnscreekumc.org and find the "Register Online" link. You will need to register your family's info before registering, but you only have to do this ONE time. Please give us your most up-to-date information and if possible try and keep it current. We will use the information that you give us to keep you updated on registration and season info. There is an additional \$5 fee associated with Online Registration. There is no fee associated with setting up your family's account, only if you choose to pay with your credit card and pay online.

Practices

Practices are held at the coaches discretion one day a week for one hour. You will not know your designated practice time and day until your coach calls you.

Games

Games are held on Saturdays at fields within a 2 mile radius of Johns Creek UMC. Games are held between the hours of 8-6 pm. A schedule of games will be posted at least 10 days prior to the start of each season.

Requests

RETURNING players who register before the close of open registration automatically get a spot on their team from the Fall season. The addition of NEW players to a RETURNING team is subject to the # of RETURNING players coming back AND the number of other requests for that team. Johns Creek UMC can not give refunds for players who do not get their requests granted. Players may request to play for a certain COACH or they may request a certain PLAYER. We will do our best to fulfill one of these requests, but we can never guarantee requests as a pre-requisite for registration. Please make sure that if you are requesting a COACH or a PLAYER that your child is in the same grade/league as that COACH or PLAYER.
