**HELPING MEN
GROW IN CHRIST**

Johns Creek United Methodist Men

Mission Statement

To strengthen the spiritual life of men by helping them grow in their relationship with Christ and the Church. The UMM wants to help men to be godly men, husbands, fathers, and grandfathers; and to equip them to be servant leaders of their families, church, work and community.

How do we do this? By reaching the hearts of men for Jesus Christ, which requires a focused strategy. Accordingly, we've adopted the following four-point strategy:

- To help men Grow Spiritually
- To provide Service to the Community
- To contribute to the Development of Youth
- To provide fellowship for each other and have accountable male friends in Christ.

Reaching the hearts of men for Christ means engaging men through ministry and developing them as Christian disciples.
