

# JCUMC UMM

## Eagle Project Funding Application

### Process

- 1) Scout secures verbal approval from the JCUMC Trustees Committee for a project, if it is for Johns Creek UMC. If it is for another approved organization, scout secures approval from the institution he is doing the project for.
- 2) Scout submits a completed UMM application (this form) requesting funds to the Chair of the Eagle Project Review Committee.
- 3) Scout may be asked to make an in-person presentation Committee, which reviews the request.
- 4) If approved, a check will be cut for the approved amount and mailed to the scout. If not, scout is informed why and if and how adjustments to the application may be made to quality.

### Requirements

- 1) Scout's project must be for the benefit of JCUMC in some regard and must be approved by JCUMC's Trustee Committee. This includes other Methodist organizations such as Camp Glisson and the North Georgia Conference.
- 2) Scout must request funding on this application and submit to the Eagle Project Committee Chair (UMM Scout Liaison).
- 3) The UMM will fund up to \$300/ project, but not more than 20% of total project amount.

### Information

Scout's Name	
Troop #	
Scoutmaster's Name	
Phone (best #)	
Email	
Postal Address	
Short Project Description ( < 100 words)	
Project's Planned Cost	
Funding Request Amount: (\$300 max)	
Project Approval Date (by benefiting institution)	
Who to write check to	

**Note:** It is requested that Scouts raising excess funds donate excess funds to the UMM (to fund future Eagle projects) or to SACK (Scouting At The Creek) to support the Scout Center fundraising campaign.
